

Fan Coil

MODELS FA4C, FH4C, FF1ENE

Now available with DuraCoat™

Bryant's Legacy is Solid, Reliable Comfort.

Reliability and Value Since 1904

North American homeowners recognize reliability and value when they see it. That's why they've put their trust in Bryant® for indoor comfort, quality, and peace of mind since 1904. Today, as consumer expectations for comfort and reliability continually evolve, Bryant responds with products like these fan

coils. Bryant fan coils deliver maximum performance from your Bryant heat pump system because they have been designed to be a perfect match. That means when your system calls for comfort, you can count on responsive reliable heating and cooling all year long.

Warranty

To the original owner, the Bryant models FA4C, FH4C and FF1ENE fan coils are covered by a 5-year parts limited warranty. Ask your Bryant dealer about optional extended warranties, which may include labor. See warranty certificate at bryant.com for complete details.

Performance

DuraCoat™ Protection for Peace of Mind

Premature indoor coil corrosion affects many home comfort systems. To combat this potential problem, Bryant offers optional DuraCoat™ protection. DuraCoat provides a tin plating of the indoor coil's copper hairpins. This creates a barrier between the corrosion-causing elements and the coil. No other manufacturer in the industry presently has as acceptable solution for this specific indoor coil corrosion issue, making Bryant the choice for worry-free comfort.

DuraCoat™ Warranty

To the original owner, the Bryant models FA4C, FH4C and FF1ENE fan coils are covered by a 5-year parts limited warranty. The DuraCoat coil is covered by a 10-year parts limited warranty. Ask your Bryant dealer about optional extended warranties, which may include labor. See warranty certificate at bryant.com for complete details.

Home Comfort Components

Model FA4C

- 1 ENHANCED COMFORT**
Our Thermostatic Expansion Valve (TXV) is included on all models to control refrigerant flow for top reliability and energy efficiency.
- 2 HIGH ENERGY EFFICIENCY**
Bryant's energy-efficient blower reliably delivers heated and cooled air to your home while preserving the efficiency of your heat pump system.
- 3 LASTING LOOKS AND PERFORMANCE**
The sturdy, 20-gage cabinet is painted with a durable, scratch-resistant coating for years of corrosion-resistant good looks.
- 4 DURABILITY AND DRAINAGE**
The condensate pan is made of a high-tech, corrosion-free composite material. Integrated sloped drainage helps reduce build-up of mold, bacteria and other airborne pollutants.
- 5 LONGER LIFE**
Some models offer DuraCoat™, a special tin-plating of the coil to reduce the threat of formicary corrosion.
